

May 31, 2018

Dear TLA supporter:

Summer is almost here! Snow is a distant memory, the birds are chirping, boats are out on the water, and it is time to renew your membership in the Twin Lakes Association.

TLA is the voice of the Twin Lakes community, and it is our responsibility to maintain this beautiful resource for generations to come. Toward that end, your board volunteers have been busy, and we are ready for the Summer!

\*\*Our limnologist, Dr. Mark June-Wells, has completed his management plan for the lakes and it is on our website for your review and comment. We are taking action to meet the various recommendations.

\*\*Herbicide permits for 2017 have been approved and we should receive treatment soon.

\*\*The board has agreed to spend \$5,000 on hydro-raking the Channel area; local residents are contributing significantly.

There will be more to announce in the near future.

**\*\* 2018 membership form is attached**

See you at our Membership Meeting @ **Salisbury Town Hall on Saturday, June 9 at 10:00 AM to** learn more. Mark will be there to discuss his plan and the recommendations.

On behalf of the Board of Directors, thank you for your generous support.

Carey
